WORK EXPERIENCE

GoParties India Pvt. Ltd. (Jul 2015 – Current)

Leading creative designing leg and helping in web design of goparties website for a fluid design. Provided technical assistance for development.

Adaan Digital Solutions (Aug 2014 – Jul 2015)

I worked here as a Web/Graphic Designer at Adaan. My role there was to make static website for foreign clients in CMS and from scratch as well.

PROJECTS

GoParties Consumer Website

(August 2015 to Current)

This app is for find happening parties in town in 9 big cities of India. Consumer can find their nearby parties as per their like genre on their relevant date and book them as well and book venue table too. Consumer can update their profile also.

<https://www.goparties.com/>

GoParties Business Website

This project was for business who has party venue, who can use this to make their event and add their venue and post their articles on GoParties Consumer app.
